IM-LEARNING

E Learning Anywhere Anytime

About Us

Infinite Myriaads is a multi-discipline corporate and vocational training company set up by industry professional and domain experts. Our objective is to skill individuals and teams with the right tools and inputs. We all know knowledge is the key differentiator in this competitive world and a quote from

*Henry Ford sums up the quest for knowledge: “**Anyone who stops learning is old, whether at twenty or eighty. Anyone who keeps learning stays young. The greatest thing in life is to keep your mind young.**”*

Introducing IM-Elearning

IM-Elearning from Infinite Myriaads(IM)

With our experience in the learning and development sector over a period of time, we believe that E-Learning can be used as a medium to reach educational goals. Our e-learning solutions allow you to take training to the next level. At Infinite Myriaads we develop customized e-learning solutions for corporates and certification courses for Individuals

Corporate IM-Elearning

Our customised e-learning solutions allow you to take training to the next level. We develop customised e-learning solutions based on your requirement and use wide range of presentation tools including digital imagery, video, and voice over to bring life to your material. We utilise simulations, tutorials, games, slideshows etc to explain the concepts to your employees while keeping them completely engaged.

Individual IM-Elearning

We offer domain specific and soft skill certification in our IM-Elearning platform. E-learning has now been adopted and used by many individuals to gain knowledge at their own pace. For the participants who get certified for specific courses in Retail and Financial Services we also offer 100% placement assistance through our partner firm Confluence Consulting

Key advantages of E-learning:

- **Just in Time Web based learning** - No waste of time in transport, commuting to a central location for each class
- **Convenience** - Flexibility to study in any convenient location with an Internet connection
- **Faster learning** – since the pace is decided by you there is no restrictions of students or instructors, it is self-paced learning. Study at a personal speed and intensity, without having to wait for slower pace of the average classroom
- **Focus** - Concentrate time and effort in areas containing new information and / or skills
- **Flexibility** - for those with irregular work schedules
- **Accessibility** - for those with family responsibilities (e.g., parents with young children at home)
- **Better retention** – Effective e-learning can increase retention by 40%
